GOCARDLESS

For selected treatments, we offer the option to pay in instalments through a system called **GoCardless**.

A deposit is paid upfront, then the secure system automatically collects each payment from your bank on the agreed dates for the agreed amounts, so you can spread the cost in a way that suits you. It's simple, safe, and means you can enjoy your treatments without worrying about paying all at once.

With GoCardless, your payment details are protected by strict bank-level security. Your information is never shared and is only used to process your salon payments, giving you complete peace of mind every time.

When you see the  symbol next to a treatment below, it means we offer **GoCardless** on this treatment.

Please contact us for more information regarding the GoCardless option your interested in.

WRINKLE RELAXING INJECTIONS

A quick yet effective treatment. These injections gently relax the muscles that cause expression lines, giving your skin a smoother, more refreshed look by softening fine lines & wrinkles. They can also be used to help concerns such as teeth-grinding or excessive perspiration.

LED LIGHT THERAPY FACIALS

Glow from within with Red & Blue LED Light Therapy! Red light boosts collagen and reduces fine lines, while blue light targets acne-causing bacteria for clearer, calmer skin. Non-invasive, relaxing, and perfect for all skin types

Red Light LED Facial (anti-aging) 50 mins ----- £75
 This treatment combines red LED light therapy with age-defying products from IMAGE to target the appearance of fine lines, wrinkles and visible signs of aging.

Blue Light LED Facial (clarifying) 50 mins ----- £75
 With the benefits of blue LED light therapy and targeted shine-minimising products from IMAGE, this treatment helps promote clear, healthy-looking skin.

Red/Blue Light LED Treatment (add on) ----- £35
 Add onto other treatments such as other Image facials & dermaplaning.

ALUMIERMD SKINCARE PEELS

Advanced medical-grade treatments designed to improve skin texture and tone. They utilise active acids and botanical ingredients to exfoliate the skin, stimulate cell turnover, and enhance skin health. **This treatment is hyper-customised to your skin, therefore an in-depth consultation is performed prior to treatment.**

SENSITIVITY

Radiant 30 (45-60 mins)

This soothing, hydrating, supportive peel plumps and gently exfoliates skin with Lactic Acid. A perfect pick for sensitive skin.

Targets: Premature signs of ageing, rough texture, dull skin, dry, sensitive skin

Results: Smooth skin tone, hydration and luminosity

BLEMISHES

Radiant 20/10 (45-60 mins)

This powerful multi-acid peel works to reduce oil production and breakouts, whilst improving skin tone and texture by exfoliating dead skin cells in and around the follicles.

Targets: Blemishes and congestion

Results: Reduction in breakouts and decongestion, more even skin tone and texture, enhanced skin clarity

DISCOLOURATION

Radiant TXA (45-60 mins)

AlumierMD's newest peel is powered by Tranexamic Acid (TXA) in an AHA blend. Brightens skin and evens out skin tone, which can help to improve skin clarity.

Targets: Discolouration, uneven skin tone, dull skin

Results: Even, smooth skin tone, brightness and radiance

AGEING/ SUN DAMAGE

Vitamin A Boost (45-60 mins)

Featuring a clinically proven wrinkle fighter – Retinol. This peel is the one to choose if you're ready to say goodbye to areas of sun damage. The high potency formula utilises AHAs and Lactic Acid alongside Retinol for flawless results.

Targets: Lines, wrinkles, pores, discolouration, uneven skin tone, dull skin, superficial scarring

Results: Smoother, plumper, radiant skin that evens texture.

CONGESTION

Detox Clear (45-60 mins)

Pack a punch on blemish-prone skin, this peel works to reduce blemishes, minimise the appearance of pore size and brighten skin. A potent combination of AHA & BHA works to target blemishes and improve overall radiance.

Targets: Blemishes and congestion

Results: Reduction in breakouts and congestion, brightens sallow skin
